

The City of Leon Valley will hold a special election on November 8, 2016,
to propose expanding the use of the current sales & use tax.
This proposition DOES NOT change the 8.25% sales tax in Leon Valley.

The ballot language will read as follows:

**TO DECREASE THE SECTION 4B SALES AND USE TAX BY 1/8TH PERCENT; AND ADOPT A
GENERAL REVENUE SALES AND USE TAX AT THE RATE OF 1/8TH PERCENT FOR THE
PURPOSE OF ECONOMIC AND COMMUNITY DEVELOPMENT.**

Sales taxes will still be available for economic development, but funds will also become
available for community development.

Examples of expanded uses include:

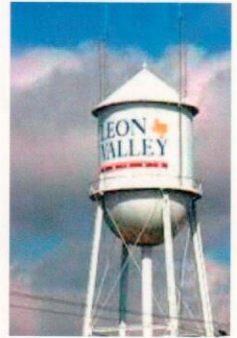

<i>Drainage</i>	<i>Easements</i>
<i>Infrastructure</i>	<i>Sewers</i>
<i>Sidewalks</i>	<i>Restorations</i>
